

An Invitation:

The purpose of our programs is to minister to the church fellowship and surrounding community by providing a safe and loving environment for children in a Christ-centered educational setting.

Our philosophy is to care for and educate children through developmentally appropriate activities designed to meet the physical, mental, social and emotional needs of infants, toddlers, preschoolers and Kindergarteners; and to help assure spiritual growth as well.

Our goal is to help children develop a Christian world view and to experience God's love, grace and acceptance through caring relationships and joyful times at Calvary Central Day Care and Central Christian Academy. We invite your child and family to join us.

Curriculum

Calvary Central Day Care and Central Christian Academy recognizes the need for providing an atmosphere in which a child can grow spiritually, socially, physically and mentally. Knowing that children learn best in a safe, caring and active environment, we provide a variety of learning experiences designed to meet the developmental stages of each child. Our yearly curriculum plan is based on a Christian world view and the Arizona State Standards for Early Childhood and Kindergarten. Art, music, movement and all content areas of the curriculum will be explored through monthly themes with a spiritual focus including:

- God Made Me Special (All about me)
- God Made The World (The 5 senses)
- God Gave Us Seasons (Seasons, autumn and weather)
- I Am Thankful (Thanksgiving)
- God Sent Jesus
- White As Snow (Winter)
- God is Love
- God Made Animals (Animal babies)
- God Gives New Life (Spring, insects)
- God Helps Me Grow
- Summer Themes
