

New Student Registration 2011-2012

6/2/2011

Dear Families:

Welcome to Calvary Central Day Care and Calvary Central Christian Academy! Please fill out a registration form and emergency information card. It is important that you fill out the emergency information completely. The State of Arizona requires complete addresses and phone numbers for each contact including doctors and hospitals. Please take time to record these for us. In addition, please do not list more than two emergency contacts at the same address. Please attach a copy of your child's up-to-date immunization record. Your registration will be held until these forms are complete. There is an annual registration fee of \$50.00 payable at time of enrollment and annually thereafter in August. You will receive our Parent Handbook upon enrollment. Please take time to read through our policies and become familiar with them, particularly our attendance policies, to which we do adhere.

We look forward to a great school year with your child and family. We sincerely hope that we will meet and exceed your expectations. We welcome your comments and suggestions. Please speak with me directly if you have questions or concerns.

In His service,

**Didi Charlesworth, EdM
Director, Calvary Central Day Care &
Calvary Central Christian Academy**
